

## Starter Activity One

Give each student one or groups of students one of the following cards.

Ask students to list as many activities as they can that occur in this component of the food system.

### Primary Production

### Processing & Packaging

### Distribution & Access

### Media & Marketing

### Consumption

### Waste Management

## Starter Activity Two

Your teacher will give you a paper plate.

1. **Divide** this paper plate into six sections.
2. **Label** each section:
  - Primary Production
  - Processing and Packaging
  - Distribution and Access
  - Media and Marketing
  - Consumption
  - Waste Management
3. **Cut out** and **paste** some of the pictures below into the corresponding section on your plate.
4. **Make notes** on your paper plate of some examples of each component of the food system.
